

LA GRANGE 2022

● *Classique*

GRAPE VARIETY

100% melon de Bourgogne

PLOT PROFILE

Village of Le Landreau, Bedrock of schist and micashist. Vines planted in 1974 next to our winery. This wine reflects the distinctive identity of each vintage at Domaine Luneau-Papin. It is the only of our wines, made by blending the must from different plots within the same terroir.

VINEYARD CARE THROUGH THE SEASONS

Spring soil preparation has been performed in a traditional manner (earthing down and hoeing) throughout the entire estate since 2009. We treat and take care of the vines with natural preparations (no chemical products) and sow cover crops such as pulses and cereals at the end of summer, with close attention to the needs of each crop. We stimulate soil life with one or two applications of horn dung; (preparation 500) in spring and apply a horn silica (preparation 501) after bloom and before harvest if necessary.

Vines are short cut pruned (single guyot) during winter. Vine density is 6,500 plants per hectare. Careful sorting is carried out in the vineyard by grape harvesters.

WINEMAKING TECHNIQUES

Grapes are pressed in a pneumatic press, strength and length of pressing is adapted to each vintage. Spontaneous fermentation using only natural yeasts. Fermentation and maturation on lees in underground glass lined vats for 6 months, without racking until bottling during March 2023.

TASTING

Serve at 12°C

Excellent as an aperitif with shellfish, fish in a sea salt crust, roasted fillet of sea bream, Asian cuisine, or fresh cheeses.

PRESS

In this vintage, the Muscadets are also built on freshness: Le Verger is firm and prominent, while **La Grange** asserts itself with more roundness and flesh.

RVF Guide Vert 2023 par Alexis Goujard

The 35-year-old vines on mica schists give a chiseled and fresh wine for **La Grange**, which rings true and illustrates the talent and precision of the Luneau family.

RVF magazine juin 2016

Complex, yellow fruits, floral note, mouth clean, harmonious, bitter on the finish.
